---

Front only

**Toilet Adaptive Equipment- Check All That Apply**

---

**Fixed Grab Rail Position**

---

**Fixed Grab Rail Location**

---

**Fixed Grab Rail Height**

---

(No response)

**Drop Down Grab Rail Position**

---

**Drop Down Grab Rail Location**

---

**Drop Down Grab Rail Height**

---

(No response)

**Commode Height from seat (mm)**

---

(No response)

**Over Toilet Aid Height from top of seat (mm) Is this height adjustable?**

---

(No response)

**State Other Adaptive Equipment Available:**

---

Nil

**Other Comments**

---

Likely too tight for average size wheelchairs to enter past washing machines and shared basins due to the angle of the turn. Walking adaptive equipment will be OK.
